§ 515.803 Customs procedures; merchandise specified in § 515.204.

(a) With respect to merchandise specified in § 515.204 (including nickel-bearing materials presumptively subject thereto) whether or not such merchandise has been imported into the United States, collectors of customs shall not accept or allow any:

- (1) Entry for consumption (including any appraisement entry, any entry of goods imported in the mails, regardless of value, and any other informal entries);
- (2) Entry for immediate exportation;
- (3) Entry for transportation and exportation;
- (4) Withdrawal from warehouse;
- (5) Transfer or withdrawal from a foreign-trade zone; or
- (6) Manipulation or manufacture in a warehouse or in a foreign-trade zone, unless either:
 - (i) The merchandise was imported prior to 12:01 a.m., February 7, 1962, or
 - (ii) A specific license pursuant to this part is presented, or
 - (iii) Instructions from the Office of Foreign Assets Control, authorizing the transaction are received, or
 - (iv) The original of an appropriate certificate of origin as defined in § 515.536(d) is presented.

(b) Whenever a specific license is presented to a collector of customs in accordance with this section, one additional legible copy of the entry, withdrawal or other appropriate document with respect to the merchandise involved shall be filed with the collector of customs at the port where the transaction is to take place. Each copy of any such entry, withdrawal or other appropriate document, including the additional copy, shall bear plainly on its face the number of the license pursuant to which it is filed. The original copy of the specific license shall be presented to the collector in respect of

each such transaction and shall bear a notation in ink by the licensee or person presenting the license showing the description, quantity and value of the merchandise to be entered, withdrawn or otherwise dealt with. This notation should be so placed and so written that there will exist no possibility of confusing it with anything placed on the license at the time of its issuance. If the license in fact authorizes the entry, withdrawal or other transaction with regard to the merchandise the collector, or other authorized customs employee, shall verify the notation by signing or initialing it after first assuring himself that it accurately describes the merchandise it purports to represent. The license shall thereafter be returned to the person presenting it and the additional copy of the entry, withdrawal or other appropriate document shall be forwarded by the collector to the Foreign Assets Control.

(c)(1) Whenever the original of an appropriate certificate or origin as defined in § 515.536(d) is presented to a collector of customs in accordance with this section, an additional legible copy of the entry, withdrawal or other appropriate document with respect to the merchandise involved shall be filed with the collector of customs at the port where the transaction is to take place. Each copy of the entry, withdrawal, or other appropriate document, including the additional copy, shall bear plainly on its face the following statement: "This document is presented under the provisions of § 515.536 (c) of the Cuban Assets Control Regulations." The original of the certificate of origin shall not be returned to the person presenting it. It shall be securely attached to the additional copy required by this subparagraph and shall be forwarded by the collector to the Office of Foreign Assets Control, Treasury Department, Washington, DC 20220. Collectors may forward such documents weekly or more often if the volume warrants.

(2) If the original of an appropriate certificate of origin is properly presented to a collector of customs with respect to a transaction which is the first of a series of transactions which may be allowed in connection therewith under paragraph (a)(6)(iv) of this

§ 515.901

section (as, for example, where merchandise has been entered in a bonded warehouse and an appropriate certificate of origin is presented which relates to all of the merchandise entered therein but the importer desires to withdraw only part of the merchandise in the first transaction), the collector shall so note on the original of the appropriate certificate of origin and return it to the importer. In addition, the collector shall endorse his pertinent records so as to record what merchandise is covered by the appropriate certificate of origin presented. The collector may thereafter allow subsequent authorized transactions on presentation of the certificate of origin. The collector shall, with respect to each such transaction, demand an additional copy of each withdrawal or other appropriate document, which copy shall be promptly forwarded by the collector to the Office of Foreign Assets Control, Treasury Department, Washington, DC 20220, with an endorsement thereon reading:

This document has been accepted pursuant to § 515.808(c) (2) of the Cuban Assets Control Regulations. Appropriate certificate of origin No. _____ from (country).

When the final transaction has been effected under the certificate of origin, the original shall be taken up and attached to the entry and forwarded as in this paragraph.

(d) Whenever a person shall present an entry, withdrawal or other appropriate document affected by this section and shall assert that no specific Foreign Assets Control license or appropriate certificate of origin as defined in § 515.536 (d) is required in connection therewith, the collector of customs shall withhold action thereon and shall advise such person to communicate directly with the Office of Foreign Assets Control to request that instructions be issued to the collector to authorize him to take action with regard thereto.
